

## 技术参数表

## Technical Data Sheet

|                      |                                               |
|----------------------|-----------------------------------------------|
| 产品名称<br>Product Name | GDSOft 1555                                   |
| 产品编码<br>Product Code | 513015                                        |
| 外观<br>Appearance     | 透明或淡黄色液体<br>Transparent or pale yellow liquid |

## ❖ 成分 Ingredients

| INCI 名称<br>INCI Name                               | CAS-No.   | 含量(%)<br>Contents |
|----------------------------------------------------|-----------|-------------------|
| 三甲基五苯基三硅氧烷<br>TRIMETHYL PENTAPHENYL<br>TRISILOXANE | 3390-61-2 | ≥95               |

## ❖ 理化特性 Physical and Chemical properties

|                                           |                |
|-------------------------------------------|----------------|
| 气味<br>Smell                               | 无味<br>odorless |
| 密度<br>Density g/cm <sup>3</sup> (25°C)    | 1.09           |
| 粘度<br>Viscosity mm <sup>2</sup> /s (25°C) | 170-180        |
| 折射率<br>Refractive index (25°C)            | 1.5740-1.5800  |
| 闪点<br>Flash point, °C                     | >240           |

## ❖ 包装及储存 Packaging &amp; Storage

|                           |                                                                     |
|---------------------------|---------------------------------------------------------------------|
| 产地<br>Made in             | 中国<br>China                                                         |
| 包装规格<br>Packaging Spec    | 25Kg / 200Kg                                                        |
| 存储方法<br>Storage           | <45°C, 阴凉干燥处避光密封保存。<br>keep and seal in dry and dark place (<45°C). |
| 保质期<br>Period of validity | 3 年<br>3 years                                                      |
